Women Supporting Women
through Education, Art, Community and Friendship

Education

- CWAJ awards scholarships annually to Japanese women who want to study abroad, non-Japanese women who want to study in Japan, and both women and men who are visually impaired.
- To date, CWAJ has awarded more than 850 Scholarships totaling more than ¥ 985 million.

Community

- CWAJ offers opportunities to volunteer in the community, efforts are concentrated on working with visually impaired individuals.
- Outreach also includes English language practice for children, and programs for non-Japanese students to experience Japanese culture.

Art

- The CWAJ Print Show is an internationally acclaimed annual exhibition and sale of contemporary Japanese print art. This juried show is the largest of its kind in Japan.
- Proceeds from the CWAJ Print Show go to CWAJ Scholarship and educational programs.

Friendship

- CWAJ offers many opportunities to connect with members and form strong friendships through volunteering and participation in our many cultural programs.
- Activities: hiking, reading group, music group, language conversation, craft and a monthly speaker series
